**Certification Kit includes the 278 page Workbook, Study guide and Tests necessary to qualify for the Certificate of Completion for the Care & Counsel for Combat Trauma Course. The Course is a video training program that helps equip caring people for ministry to military members, veterans, military families, and people who suffer from trauma and depression.**

### **WHO SHOULD TAKE THIS COURSE?**

The Care & Counsel for Combat Trauma (C3) course is suitable for anyone with an interest in the effects of Combat Trauma and Post-Traumatic Stress Disorder (PTSD) and is particularly relevant for:

- Military and Hospital Chaplains
- Mental Health Professionals
- College/University Counselors to Veterans- Emergency Service Personnel
- Rescue Workers
- Pastors and Ministry Leaders
- Support Group Leaders/Facilitators
- Health Care Personnel
- Anyone Affected by Trauma
- Family, friends, colleagues of sufferers
- Those living with the aftermath of combat experiences

### **COURSE OBJECTIVES**

1. The C3T Course will give you a greater understanding of the complexities surrounding the post-combat experience of hundreds of thousands of active duty and veterans military members.
2. The C3T Course will broaden professional and ministry-based skills.
3. The C3T Course will equip Christian pastors and lay ministers to reach out with sensitivity and relevance to military members, veterans, and families in their congregations and communities.
